Joan I am having a short stand up with EPR all hands (beyond Superfund) at 11 and would like to share this message with them in the event that they get asked and also let them know that they should refer any inquiries to the JIC. Are you ok with this message being shared more broadly than SF field folks??

Sandy

Superfund management team and CICs please pass this message on to your staff in the event they get asked questions about the Gold King Mine response when they are out in the field performing their regular duties. This message has been cleared by Joan Card.

If asked about the Gold King Mine please use the following statement and refer them to the website below:

Deliberative Process/Ex. 5

<http://www2.epa.gov/region8/gold-king-mine-release-emergency-response>
